Now More Than Ever

In 2017, a new leadership will emerge in Washington, D.C. to set education policy in the White House, U.S. Senate, and U.S. House of Representatives. The Council for Opportunity in Education (COE) invites you to the Nation's Capital to take advantage of the opportunity to educate your Members of Congress and other federal leaders about the outstanding work you do in college access and success programs locally as well as advance the interests of low-income and first-generation students, adult learners, veterans, and students with disabilities.

COE 37th Annual Policy Seminar • March 20-22, 2017

Now More Than Ever—COE's 37th Annual Policy Seminar affords the TRIO and GEAR UP communities the opportunity to help educate Members of the 115th Congress, congressional staff, and Trump Administration officials about the history and the success of TRIO and GEAR UP. More importantly, this event gives participants a chance to represent the interests of low-income and first-generation students and veterans, adult learners, and students with disabilities in the policy arena. Come share your stories of success. Stories about real students can make a difference!

With your help and the help of your alumni, we can build support for TRIO and GEAR UP and expand services to assist a greater number of disadvantaged students.
